# Things to consider:

- It is only valid if it's on paper
- The language barrier - Communication
- Cultural differences
- Need to uplift the community
- Not everybody is sure about the required paperwork so it is time consuming to complete any necessary processes
- Little infrastructure

# What are we all about?

- Registration of company
- Lawyers
- Accountants
- Labour Consultants
- Marketing
- Imports & Exports
- Business Licenses

# What are we all about?

- Assistance with sourcing land
- Assistance with registration of the land
- All your seed and fertilizer needs
- ... any other information required
